## Xpress Detailer

AEROSOL

Easy To Use!

INDUSTRIAL STRENGTH

Xpress Detailer is the perfect final-finish quick detail spray for paint, chrome, wheels, tires, plastic, rubber, and glass. It will add quick shine and protection from the elements on cars, trucks, motorcycles, RVs, boats, and more. Xpress Detailer will easily remove fingerprint smudges, road grime, rain film and other light contaminants. Simply spray on and wipe to a beautiful shine! Won't leave any white residue on rubber and plastics. It is non-abrasive and can be used as often as necessary without leaving a heavy wax build-up. Xpress Detailer makes the perfect final-finish quick detail product. Great scent. 50-state VOC compliant.

- Quick Detail Touch-Up!
- Instant Showroom Shine!
- Paint, Glass, Chrome!

### Directions:

Shake well. It is always best to use Xpress Detailer on a clean vehicle but may also be used on a slightly dirty or dusty vehicle. Hold can 6 to 8 inches from the surface and spray product. Lightly wipe with a clean microfiber cloth. Do not use the same cloth on your paint and glass that you have used on your tires or wheels.
