

**PART #:** 87  
**PRODUCT NAME:** XP Compound™

**PRODUCT CATEGORY:**  
Compounds

**AVAILABLE SIZES:**  
16 oz., 1 gal

**ABRASIVENESS:**  
9 out of 10 (10 is highest amount of abrasive)

**PRODUCT DESCRIPTION:**

XP Compound™ is an aggressive, low-swirl, leveling compound designed to remove moderate-to-heavy surface imperfections and 1200 grit sandpaper marks. Perfect for acid rain spots, clearcoat scratches and heavy oxidation. Clearcoat safe. May be applied by hand or a variable speed polisher. Works well with wool or foam cutting pads. Body Shop Safe. VOC Compliant.

**DIRECTIONS:**

Shake well. For hand application, use a wax applicator in overlapping, back-and-forth motions. Remove with a soft, terry towel. For machine application, apply to a small area and buff at medium rpm with a wool pad or low rpm with a foam pad to desired results. Remove excess with a soft, terry towel. Follow up with an Auto Magic® polish and wax for bringing the compounded surface back to a showroom finish.

**SURFACE APPLICATIONS:**

For compounding clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints.

**ADDITIONAL USES:**

Excellent on RVs, boats, motorcycles, ATVs, and other painted surfaces. XP Compound™ works great as a headlight lens repair product. Hand-rub, then follow with an Auto Magic® polish and wax.

**HELPFUL TIPS:**

Always follow XP Compound™ with an Auto Magic® polish and wax (wax for optional added gloss and protection).
