PRODUCT NAME:

VOC Vinyl Coating

PART #:

38-5
38-55

PACKAGE:

5 Gallon
55 Gallon

PRODUCT CATEGORY:

Specialty Items

COLOR:

Red

SCENT:

Strawberry

PRODUCT DESCRIPTION:

VOC Vinyl Coating is a durable all-purpose vinyl coating formulated for restoring faded vinyl, leather, and polycarbonate surfaces. When applied properly will not fade, crack or chip. Great strawberry scent!

NOTE: Not for sale in California

DILUTION RATIO:

Ready To Use

DIRECTIONS:

Make sure surface to be treated is clean and dry. Pour a small amount of product on a foam applicator or nylon brush. Apply evenly to the surface. For best results, apply two thin coats, rather than a single heavy coat. If product dries on paint, it can be removed with a little polish and a dry cloth.

SURFACE APPLICATIONS:

For vinyl, leather, and polycarbonate surfaces.

HELPFUL TIPS:

Be sure your surface is clean and dry before application. For a less shiny look, apply, then use a sponge applicator and wipe until uniform.

SAFETY & HANDLING:
