PRODUCT DESCRIPTION:

49-Body Shine® is a quick detail product for removing smudges, fingerprints, buffing residue, and light dirt from all paint finishes, chrome, vinyl trim, and glass. Also recommended as the lubricant of choice for Clay Magic®. Great for maintaining a showroom finish on display and final delivery vehicles. Keep it near you all the time! VOC compliant.

DIRECTIONS:

As a quick detailer: Mist lightly on a cool surface, then wipe dry with a soft micro fiber or terry cloth.

As a clay lubricant: Mist on a cool, clean surface (work in a 3' X 3' area at a time). Clay on top of the lubricant until contamination is removed, then wipe dry with a clean, soft micro fiber or terry cloth.

SURFACE APPLICATIONS:

Safe for use on all finishes; clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints. Can be used on chrome, glass, plastic, vinyl, and more.

ADDITIONAL USES:

Excellent on RVs, boats, motorcycles, bikes, and other surfaces. Ideal for use while machine polishing to keep the painted surfaces "wet".

HELPFUL TIPS:

After using a detailing clay bar, Spray 49-Body Shine® into the protective box or plastic baggie for proper storage. This will prolong the clay and make it easy to remove for next use. Use product on cool surfaces.
