PRODUCT NAME:
Super Suds Soap®

PART #:
501420
501425

PACKAGE:
5 Gallon
55 Gallon

PRODUCT CATEGORY:
Soaps & Degreasers

COLOR:
Yellow

SCENT:
Bannana

PRODUCT DESCRIPTION:

Super Suds Soap® is a banana scented thick liquid concentrated car soap that produces a very high consistent foam to safely lift dirt, traffic film, and residue from all painted surfaces.

DILUTION RATIO:

Dilute 1:120 with water

DIRECTIONS:

Pour 3 ounces of Super Suds Soap® concentrate into a 5 gallon pail. Use a pressure washer or garden hose to generate suds. Wash vehicle with a clean wash mitt or soft sponge. Rinse with water, then dry with a soft towel, chamois or squeegee.

SURFACE APPLICATIONS:

For exterior washing/cleaning of clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints. Also cleans glass, chrome, plastic, vinyl, rubber, wheels, tires, and more.

ADDITIONAL USES:

Excellent on RVs, boats, motorcycles, ATVs, and more.

HELPFUL TIPS:

Use on cool surfaces. To quickly cool the surfaces, rinse entire vehicle with pressurized water before use. This will also help to loosen and remove dirt. It is best to use a separate wash mitt or sponge on the lower body areas, fender wells, wheels, and tires to avoid scratches from small rocks and dirt.

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
