502500

502505

502555

PACKAGE:

Gallon

5 Gallon

55 Gallon

PRODUCT CATEGORY:

Cleaners

COLOR:

Amber Brown

SCENT:

N/A

PRODUCT DESCRIPTION:

Wheel Magic™ is a 50 State compliant, heavy-duty, non-acid, professional wheel cleaner formulated for use on European wheels. Removes brake dust and other stubborn grime. Cleans tires prior to the application of tire dressing.

NOTE: Do not use on painted or powder coated wheels

DILUTION RATIO:

Ready To Use

DIRECTIONS:

Test Wheel Magic on a small, inconspicuous area prior to cleaning entire wheel. Do not allow to dry on surface. Do not apply to aluminum, magnesium, plastic, powder coated, or painted surfaces. Use caution when using Wheel Magic. See S.D.S. for proper safety equipment.

Step 1: Rinse wheel thoroughly with water. Spray on surface and allow dwell time of 1-2 minutes. Agitate with a brush if necessary to remove brake dust and corrosion.

Step 2: Rinse thoroughly with water.

Step 3: Wipe with a clean, dry cloth

NOTE: For stubborn wheels allow dwell time up to 5 minutes.

SURFACE APPLICATIONS:

For use on original factory sealed European wheels.

HELPFUL TIPS:

Wheel Magic may be used at 1:1 with water for a general purpose wheel and tire cleaner.

Avoid use on plastic center caps and components.

SAFETY & HANDLING:
