PRODUCT NAME:

Econo Suds™

PART #:

52-5
52-55

PACKAGE:

5 Gallon
55 Gallon

PRODUCT CATEGORY:

Soaps & Degreasers

COLOR:

Lt. Green

SCENT:

Lavender

PRODUCT DESCRIPTION:

Econo Suds™ is an economical, high sudsing shampoo for cleaning exterior vehicle surfaces. Rinses easily for less wipe down time. VOC compliant.

DILUTION RATIO:

Recommended Dilution Ratio of 1 part #52 Econo Suds™ to 32 parts water

DIRECTIONS:

Pour 2 ounces of Econo Suds™ into a 5 gallon pail. Fill with pressurized water and wash vehicle with a clean wash mitt or soft sponge. Rinse with water, and then dry with a soft towel, chamois or squeegee.

SURFACE APPLICATIONS:

For exterior washing/cleaning of clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints. Also cleans glass, chrome, plastic, vinyl, rubber, wheels, tires, and more.

ADDITIONAL USES:

Excellent on RVs, boats, motorcycles, ATVs, and more.

HELPFUL TIPS:

Use on cool surfaces. To quickly cool the surfaces, rinse entire vehicle with pressurized water before use. This will also help to loosen and remove dirt. It is best to use a separate wash mitt or sponge on the lower body areas, fender wells, wheels, and tires. This way, if you pick up any small rocks and dirt, it won't scratch the painted areas.

SAFETY & HANDLING:
