PACKAGE:

16 oz
Gallon
5 Gallon
55 Gallon

PRODUCT CATEGORY:

Dressings & Protectants – Water Based

COLOR:

Milky White

SCENT:

Lemon

PRODUCT DESCRIPTION:

Super Dress-It® is a superior all-purpose, water-based silicone dressing for interiors, exteriors and engine compartments. Restores original beauty to vinyl upholstery and trim, dashboards, air vents, tires, rubber moldings, vinyl tops, hoses and more. Leaves a non-greasy, glossy protective shine. VOC compliant.

DILUTION RATIO:

Ready to Use

DIRECTIONS:

Shake well. For a high gloss finish, spray directly onto the surface, then allow to dry. For a satin finish (less gloss), after application, wipe evenly with a clean cloth. For economy usage, Super Dress-It® can be diluted up to 1:4 with water. Best used as full strength. DO NOT apply to brake/accelerator pedals. For engines, spray product directly over entire engine, then allow to dry naturally. Product can be applied when the engine is still wet; just after the wash and rinse.

SURFACE APPLICATIONS:

Great for both exterior and interior use. Will not harm plastic or vinyl dashes. Safe for engines.

HELPFUL TIPS:

Be sure your surfaces are clean before application of Super Dress-It®. Be sure to let your tires dry at least 5 minutes before driving. This will help to avoid product “slinging” onto body panels. Product best used on cool surfaces.

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
