PRODUCT NAME:
Econo Wash & Wax

PART #:
ENC56-5
ENC56-55

PACKAGE:
5 Gallon
55 Gallon

PRODUCT CATEGORY:
Soaps & Degreasers

COLOR:
Lt. Pink

SCENT:
Banana

PRODUCT DESCRIPTION:
Econo Wash & Wax is an economical shampoo for cleaning exterior vehicle surfaces. Rinses easily for less wipe down time. VOC compliant.

DILUTION RATIO:
Recommended Dilution Ratio of 1 part #ENC56 Econo Wash & Wax to 32 parts water

DIRECTIONS:
Pour 2 ounces of Econo Wash & Wax into a 5 gallon pail. Fill with water and wash vehicle with a wash mitt or soft sponge. Rinse, then dry with a soft towel, chamois or squeegee.

SURFACE APPLICATIONS:
For exterior washing/cleaning of clear coat, single stage, acrylic, lacquers, enamels, as well as powder-coated paints. Also cleans glass, chrome, plastic, vinyl, rubber, wheels, tires, and more.

ADDITIONAL USES:
Excellent on RVs, boats, motorcycles, ATVs, and more.

HELPFUL TIPS:
Use on cool surfaces. To quickly cool the surfaces, rinse entire vehicle with pressurized water before use. This will also help to loosen and remove dirt. It is best to use a separate wash mitt or sponge on the lower body areas, fender wells, wheels, and tires. This way, if you pick up any small rocks and dirt, it won't scratch the painted areas.

SAFETY & HANDLING:
