PRODUCT NAME:

Vinyl Coating

PART #:

38-GL

38-5

38-55

PACKAGE:

Gallon

5 Gallon

55 Gallon

PRODUCT CATEGORY:

Specialty Items **Exterior**

COLOR:

Red

SCENT:

Strawberry

PRODUCT DESCRIPTION:

Vinyl Coating is a superior coating formulated for use on exterior automobile surfaces. Provides an extra-long lasting coating. Great strawberry scent!

DILUTION RATIO:

RTU- Ready to Use

DIRECTIONS:

Make sure surface to be treated is clean and dry. Pour a small amount of product on a foam applicator.. Apply evenly to the surface. For best results, apply two thin coats, rather than a single heavy coat. If product dries on paint, it can be removed with a little polish and a dry cloth.

SURFACE APPLICATIONS:

For vinyl, leather, and polycarbonate surfaces.

HELPFUL TIPS:

Be sure your surface is clean and dry before application. For a less shiny look, apply, then use a sponge applicator and wipe until uniform.

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
Use proper safety PPE when using any chemicals.

PPE-personal protection equipment
