## Ceramic Magic™

### INTRODUCING AUTO MAGIC'S LATEST VALUE-ADDED INNOVATION

Ceramic Magic is a SiO<sub>2</sub> Ceramic, spray-on formula which is safe on all exterior surfaces. Ceramic Magic spray bonds to painted surfaces, providing a high gloss, water-resistant, and extremely durable finish.

- Delivers a rich, crystal clear, reflective finish
- Extremely hydrophobic - repels water with incredible beading and sheeting action
- Resistance to UV and chemical exposure provides a durable shine that will last months
- Easy to apply - wipe on with a microfiber towel, then wipe off

# PRODUCT INFORMATION

<b>Product Description</b>	Ceramic Magic is a fast-applying, highly hydrophobic SiO2 ceramic spray for use on exterior painted surfaces. Provides a protective and long-lasting finish to exterior painted surfaces. Nonabrasive. Easy to use; just apply a small amount to the surface, wipe on, wipe off.								
<b>Directions</b>	<ul style="list-style-type: none"> <li>• Shake product well. Vehicle should be cool, properly cleaned and free of surface contaminants.</li> <li>• Working one panel at a time (large panels should be done in 3'x3' sections), lightly mist a small amount of product onto the surface.</li> <li>• Wipe product into the painted surface.</li> <li>• Buff to a high gloss with a second clean, dry towel.</li> </ul>								
<b>Additional Uses</b>	Excellent on RVs, motorcycles, bikes, and other painted surfaces.								
<b>Helpful Tips</b>	<p><b>Note:</b> This product is a spray ceramic, not a traditional polymer or carnauba spray, so do not let the product dry on surface. Do not use in direct sunlight.</p> <p><b>Tip:</b> After application, if you have haze, a smear or high spot, wiping the area with a damp/misted towel should eliminate the haze, smear or high spot.</p> <p><b>Recommendation:</b> For best/longest lasting performance, do not wash the car for 4 hours after application of Ceramic Magic™.</p>
