502500

502505

502555

**PACKAGE:**

Gallon

5 Gallon

55 Gallon

**PRODUCT CATEGORY:**

Cleaners

**COLOR:**

Amber Brown

**SCENT:**

N/A

**PRODUCT DESCRIPTION:**

Wheel Magic™ is a 50 State compliant, heavy-duty, non-acid, professional wheel cleaner formulated for use on factory sealed wheels. Removes brake dust and other stubborn grime. Cleans tires prior to the application of tire dressing.

**NOTE:** Do not apply to bare metal wheels including magnesium and aluminum, powder coated wheels, plastic or painted surfaces.

**DILUTION RATIO:**

Ready To Use

**DIRECTIONS:**

Test Wheel Magic on a small, inconspicuous area prior to cleaning entire wheel. Do not allow to dry on surface. Use caution when using Wheel Magic. See S.D.S. for proper safety equipment.

**Step 1:** Rinse wheel thoroughly with water. Spray on surface and allow dwell time of 1-2 minutes. Agitate with a brush if necessary to remove brake dust and corrosion.

**Step 2:** Rinse thoroughly with water.

**Step 3:** Wipe with a clean, dry cloth

**NOTE:** For stubborn wheels allow dwell time up to 5 minutes.

**SURFACE APPLICATIONS:**

For use on original factory sealed wheels.

**HELPFUL TIPS:**

Wheel Magic may be used at 1:1 with water for a general purpose wheel and tire cleaner.

Do not let product dry on surfaces. Avoid use on plastic center caps and components.
