

## Technical Data Sheet

**PRODUCT NAME:**

Tar Solvent

**PART #:**

716

**PACKAGE:**

Gallon

**PRODUCT CATEGORY:**

Solvents & Removers

**COLOR:**

Red

**SCENT:**

Solvent

**PRODUCT DESCRIPTION:**

Tar Solvent is a safe and effective way to remove many stubborn exterior stains such as heavy tar deposits, grease, and gum. Great for use on clear coat paint, plastic trim, rubber moldings, and chrome. Body shop safe.

**DILUTION RATIO:**

Ready To Use

**DIRECTIONS:**

- Pour a generous amount of Tar Solvent on to a small, clean cloth or applicator.
- Rub over the surface. Remove excess with a clean cloth.
- Repeat application if necessary.
- Use only in a well-ventilated area.

**SURFACE APPLICATIONS:**

May be used on any exterior surface for the removal of tar, grease, adhesive residue and tree sap.

Can use on oil based spills on interior, must ventilate.

**ADDITIONAL USES:**

Marine applications, RV's, motorcycles, ATV's, and commercial vehicles.

**HELPFUL TIPS:**

Always dispose of towels and applicators used to apply #716 Tar Solvent in approved fire resistant containers.

Use appropriate safety gear when using this product.
