PRODUCT NAME:
Liquid Clay Decon

PART #:
52
52-5

PACKAGE:
Gallon
5 Gallon

PRODUCT CATEGORY:
Exterior decontaminate

COLOR:
Green/Yellow

SCENT:
Surfactant

PRODUCT DESCRIPTION:

Liquid Clay Decon is a pH balanced, color changing exterior decontaminate that is safe on all exterior substrates while breaking down the harshest contaminants that embed themselves on the vehicle. This fast-acting formula quickly penetrates as it changes color to show the presence of the worst types of material buildup and is designed to be sprayed on and rinse away all unwanted contamination from the exterior of the vehicle.

DILUTION RATIO:

RTU- Ready to Use

DIRECTIONS:

Never spray on a hot surface including paint and wheels allow vehicle to cool in the shade. Wash and rinse vehicle, some additional water left on the surface does not impact performance. Spray enough to evenly coat contaminated surfaces. Allow to dwell while color change occurs for at least 1 minute and completely rinse treated surface. Do not allow chemical to dry on any surfaces.

SURFACE APPLICATIONS:

OEM painted surfaces, chrome, stainless steel, and aluminum trim.

HELPFUL TIPS:

Avoid use on parts that are painted with spray cans or low-quality paints. Examples: Brake calipers, or unknown wheel coatings

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
Use proper safety PPE when using any chemicals.

PPE-personal protection equipment
