PRODUCT DESCRIPTION:

Vinyl/Leather Cleaner is a mild, pH-balanced cleaner specifically designed for use on automotive interiors. Quickly removes stubborn stains from all vinyl and leather surfaces. VOC Compliant and Body Shop Safe.

DIRECTIONS:

Vinyl/Leather Cleaner is a RTU (ready-to-use) product. No diluting is necessary. Using a mist sprayer, apply directly to surface and agitate with a soft bristle brush. Remove with a clean, damp cloth. Repeat if necessary.

SURFACE APPLICATIONS:

For use on leather, vinyl, and plastic seats and upholstery.

ADDITIONAL USES:

Safe for use on boats, motorcycles, ATV's, and RV's or any leather or vinyl surfaces.

HELPFUL TIPS:

For extremely soiled surfaces wrap a towel around a soft bristle brush and agitate Vinyl/Leather cleaner. Wipe clean with a damp cloth.

SAFETY & HANDLING:

Safety Data Sheets can found online at automagic.com
Use personal protection equipment when using chemicals.
